

The Webster Village Band has released its 2019 season rehearsal schedule and concert series, which generally take place on Thursday evenings from 7-9 pm. Rehearsals are located in the Willink Middle School practice room, located at 900 Publishers Parkway, Webster, unless otherwise noted. Concerts are performed at the Harmony Station Bandshell, located on Phillips Road and Foster Drive, just south of Ridge Road in Webster. The all-volunteer band comprised of over 50+ members under the direction of Tom Indiano and Associate Director Sue Siegmund, is always recruiting interested community members to join us.
