

The Webster Walkabout Adventure Lab will take you on a walking tour of some of the historical locations in the Village of Webster. This adventure is kid-friendly and handicap-accessible. Please stay on sidewalks throughout your journey.

You will be guided on a walking tour of the Village of Webster, NY, visiting five sites of historic significance to the founding of the Village of Webster. Your walking tour will take you on a 1.5 mile walk and will take about an hour to complete.

In order to play the Adventure Lab, you need a smart phone, with the Adventure Lab mobile app installed. The app works with both iOS (iPhones) and Android phones. You must have a free account on [geocaching.com](https://www.geocaching.com) and you must also have a data plan and cell service. The Adventure Lab mobile app is a multi-media, interactive app.

To open this adventure in the Adventure Lab mobile app, use the following URL:

<https://labs.geocaching.com/goto/WEBSTER>

Once you complete the Adventure Lab, you will be given a code to unlock a special bonus puzzle geocache located at the Webster Museum, located at 18 Lapham Park, Webster, NY. To find out more about geocaching, go to <https://www.geocaching.com/>
