

1) Q: Are you traveling soon and need to get a passport book quickly?

A: You can expedite your application without using a courier to receive a passport book back within 2-3 weeks for an additional \$60. Courier's often charge hundreds of dollars in addition to the expedite fee that you don't need to pay. There is also an option of going to the Buffalo Passport Processing Center if you need the passport sooner than the 2-3 weeks. Contact our office for more information, 585-265-3770.

2) Up, up and away! You should never have to pay... for a passport application form! Whether you are a first time or minor applicant (form DS11), or renewing an adult passport (form DS82), you can print the application forms at no charge from the official website for passports, www.travel.state.gov. We also have a supply of all forms here in our office. Contact us for more information, 585-265-3770. We are always happy to answer any and all passport questions!

3) Q: Do you HAVE to have an Enhanced License or Real ID to fly starting in October 2020?

A: The short answer is NO! If you have a passport book you can use that for all travel, domestic and international. A passport card can also be used for domestic flights, and driving or going by ship to Canada, Mexico, the Caribbean and Bermuda. Contact our office for more information, 585-265-3770.
